Reply to Coolidge Fails to Refute Armed Aid Charge But Disclaims Endangering United States

MEXICO CITY, Jan. 11. (Exclusive)—Asserting that Mexico wants no war with the United States but will resist any aggression, the Mexican government today answered the message of President Coolidge to Congress yesterday with a denial of intervention in Nicaragua in aid of the Sacaca revolution. The denial was stated in general terms, however, and did not dispute the truth of President Coolidge's charges that the Nicaraguan revolutionists have been armed and officered by Mexicans with the knowledge of the Mexican government.

Continuation of Government Operation and Cargo Support Advised

Program for Development of Merchant Marine Embraced in Survey

WASHINGTON, Jan. 11. (AP)—The American Merchant Marine, as an infant industry, cannot subsist without substantial help from the government, even though it is turned over to private ownership, the Shipping Board reported to the Senate today, and for the present should be continued under government operation.

Handicaps of cheaper construction and operation abroad and the decided leadership of rival nations in the cargo carrying business, make it necessary, the Shipping Board declared, that the twenty-three cargo services of government-owned ships should be perpetuated and also added to. To carry out such a scheme, said the report, a definite program of appropriations providing construction of new vessels to replace old ones should be entered into.

Detailed Program

The report made detailed recommendations for government control of the Merchant Marine. They were in answer to a Senate resolution adopted last session calling upon the board to submit a plan for the future of the American marine.

Chairman Jones of the Commerce Committee, to which the report was referred, said he would begin conversations tomorrow with Shipping Board officials looking to the formation of legislation on a future Merchant Marine policy.

The board said it had not been able to dispose of its remaining ships to private concerns because the latter would not undertake their ownership without some guarantee of profitable operation. Many of the government ships were now old, it was shown, and though they were suited to slow cargo trade, the tendency nowadays is for faster freight service. If the government is going earnestly into the merchant marine business, it was recommended that quantity production and wider use of the modern internal combustion type engine should be entered into.

Expedition of foreign mail service with frequent and regular sailings and the development of American vessels to a parity of speed with foreign competitors for mail contracts was suggested as a needed improvement.

Two Preparing to Relinquish Posts Within Short Time

LONDON, Jan. 11. (AP)—The impending abdication of the Rajah of Cochin, Sir Rama Varma, is reported by the Bombay correspondent of the Daily Express. He also says the Maharajah Gekwar of Baroda, who recently celebrated the golden jubilee of his reign, intends to abandon active participation in the government of his state.

The intentions of both are attributed to the recent British overhauling of the administration of the states in India and the growing demands of their subjects. The correspondent adds that the abdications of many other Indian states are "in the melting pot."

Use by British Railway Men Said to Carry Idea of "Red" Tendency

LONDON, Jan. 11. (AP)—The red neckties worn by English railroad men are doomed. They are to be replaced by a more prosaic article in blue.

They caused a lot of trouble during the general strike, it was explained, because railway men were accused of being "Reds" and Communists.

The red tie was issued originally with the idea that in case of emergency it could be pulled off and used as a danger signal.

PRESBYTERY VOICES PLEA FOR MEXICO

Los Angeles Group Asks Tolerance in Relations to Bar Disastrous Rift

The Los Angeles presbytery, representing a communicant membership of 43,000 members and 107 churches, in its winter session yesterday adopted the following resolution presented by Rev. Dr. Robert N. McLean:

"The presbytery of Los Angeles in session at El Monte deplors the fact that our country seems rapidly to be drifting into a condition which may eventuate in war with Mexico. We recognize the long and heroic struggle which Mexicans have made since 1812 to secure political, economic and religious independence, and we rejoice in the progress toward national stability which Mexico has made, especially during the administrations of Obregon and Calles.

"We are convinced that she must work out her own destiny without foreign interference, and call upon our people and our government to scrutinize all the issues involved intelligently, to discriminate between propaganda and truth and between honorable means for a continuation of peaceful relations with Mexico.

"We recommend further that copies of this resolution be turned over to our Senators and Representatives at Washington, and that a copy be sent also to the State Department at California."

MEXICO DENIES DESIRING WAR

(Continued from First Page)

That Diaz, recognized by the United States, is the rightful President.

Then the Mexican Foreign Minister takes up Mr. Coolidge's reference to the declaration of Secretary of State Everts in 1917 as the guiding principle of the present administration in the protection of the American citizens. Mexico combated the Everts doctrine then and evidently combats it now, Senor Everts said.

"I am to justify the order given to Gen. Oro to cross the border in pursuit of the bandits who were committing depredations north of Rio Bravo and returned to Mexican territory. This resolution is affirmed that the first duty of a government is to protect life and property, and that the government of the United States intended to fulfill it either by means of formal treaties or informal conditions, or through the judicial action not the courts, or finally by military action."

"In answer, Mexico, of course," Mr. Senor continues, "did not deny the statement made by Mr. Everts, but he has landed Mexico and now is awaiting some overt act on which to predicate a declaration of war."

Representative Wood, declares the talk of war and asserted his belief that "there is no danger if the government of Mexico and the United States heed the warning."

Criticizing the attitude of the Democrats, Wood recalled the Mexican difficulties of the Wilson regime and said that under his policy, this country "had shrank away from its responsibility."

"This brought the reply from Representative Upshaw, Democrat, of Georgia, that Wilson had been an 'unfortunate and unfair.'"

JUSTICE PLEDGED

Senor repeats the stock denial that any American properties in Mexico are being seized, and that the government of the United States is going to investigate, or through the judicial action not the courts, or finally by military action."

"Mexico," he continues, "has invited the United States to point out cases in which such violations may have been incurred, promising to administer full justice in each case. Mexico firmly believes that nothing can be asked from her."

"Mexico has entered into several nations, among them the United States, into formal agreements to the effect that a mixed commission settle the claims against Mexico submitted by their respective nationals. The Mexican-American commission created under the general claims convention concluded between both countries is already operating in Washington and this commission will be resorted to by any American citizen who considers himself entitled to do so."

Coolidge Message Upheld Against New Attack of Huddleston

White House Repeats Stand of Defending American Rights Always

WASHINGTON, Jan. 11. (AP)—Another attack upon President Coolidge's Nicaragua policy was made in the House today by Representative Huddleston, Democrat of Alabama, who termed it a "plain affront to Mexico."

Mr. Huddleston, who delivered a verbal broadside, but apart from these, and an incidental thrust by Senator Borah, Republican of Idaho, on the White House that President Coolidge had nothing to add to what he had said in yesterday's message to Congress, further than to stress the determination to afford protection to American life and property in any part of the world, and that the government would do everything in its power to that end.

While silence on the subject was maintained in quarters where comment was looked for, it was said at the White House that President Coolidge had nothing to add to what he had said in yesterday's message to Congress, further than to stress the determination to afford protection to American life and property in any part of the world, and that the government would do everything in its power to that end.

NOTHING TO ADD

While silence on the subject was maintained in quarters where comment was looked for, it was said at the White House that President Coolidge had nothing to add to what he had said in yesterday's message to Congress, further than to stress the determination to afford protection to American life and property in any part of the world, and that the government would do everything in its power to that end.

TRUMP LANDING DEPLORED

The landing of American forces in Nicaragua was characterized as "the most deplorable event in the history of the century" by Representative Lister, who added:

"Within the last few months all the good work of past Secretaries of State has been destroyed and we are assuming in the face of the world the reputation of a big stick."

The President has heeded the cry of big business men in Nicaragua and Mexico. He has landed Marines and now is awaiting some overt act on which to predicate a declaration of war."

Representative Wood, declares the talk of war and asserted his belief that "there is no danger if the government of Mexico and the United States heed the warning."

Criticizing the attitude of the Democrats, Wood recalled the Mexican difficulties of the Wilson regime and said that under his policy, this country "had shrank away from its responsibility."

PRESS SUSPICIOUS OF AMERICAN DEALINGS

BUENOS AIRES, Jan. 11. (AP)—La Nacion today editorially declares that while the newspapers in the United States profess differences of opinion regarding the action of the American government in selling to the Central and South American regard American dealings in that country with suspicion.

It adds that it can be quite clearly seen from the declarations of the Wilson regime and said that under his policy, this country "had shrank away from its responsibility."

"This brought the reply from Representative Upshaw, Democrat, of Georgia, that Wilson had been an 'unfortunate and unfair.'"

MEANS OF PREVENTING MEXICAN WAR DISCUSSED

How to prevent war between the United States and Mexico was discussed from practically every angle at an open meeting of the Los Angeles Labor Temple yesterday afternoon. Chief speakers were Robert Whitaker and Dr. E. P. Ryland.

The Nicaraguan trouble, Mr. Whitaker said, could be settled without the intervention of Marines and battleships. Another speaker said America has won the underlying hate of the Central and Southern countries by perpetration of a crime.

Dr. Ryland said that every means should be taken by the three powers to prevent such opening of hostilities. The settlement, he said, could be made amicably and an agreement reached that would be satisfactory to all sides.

One man in the audience suggested that the United States, Nicaragua and the United States be interned until the troubles are smoothed out.

EDITORIAL OPINION SUPPORTS COOLIDGE'S NICARAGUA STAND

NEW YORK, Jan. 11. (Exclusive)—Editorial comment on President Coolidge's message on Nicaragua by leading newspapers of the country follows:

The New York Herald-Tribune: President Coolidge's message makes short work of the claim that the United States is intervening in Nicaragua, arbitrarily or in contravention of treaties. It discloses to Congress that the Saca revolution has been fomented and backed by Mexico, some of the military supplies dispatched having been to the Mexican government and others to the revolutionaries. It is a case in a vessel commanded by a Mexican reserve officer. Mexico has gone beyond international law in this aiding a military enterprise directed against a friendly state.

Philadelphia Public Ledger: Only between the lines of this message may be read the belief that it is the purpose of the United States to influence in Nicaragua that not only the public was consulted in its making but that the United States is a small but sincere and honest power.

St. Paul Pioneer Press: The action of the Calles government in recognizing Saca as the legitimate government of Nicaragua is a serious and deliberate challenge by Mexico in the country bordering on the canal. Are we to let that challenge go unnoted?

Pittsburgh Gazette Times: President Coolidge's message to Congress is a masterpiece of brevity and clarity. It states the facts of the situation in Nicaragua and the United States naval forces are operating in the country bordering on the canal. Are we to let that challenge go unnoted?

Washington Post: The message of President Coolidge is a masterpiece of brevity and clarity. It states the facts of the situation in Nicaragua and the United States naval forces are operating in the country bordering on the canal. Are we to let that challenge go unnoted?

Calles Aide Denies Regular Army Men Have Joined Insurgent Forces

BY JACK STARR-HUNT

MEXICO CITY, Jan. 11. (Exclusive)—Casualties sustained by the Mexican Federal army in quashing revolutionary uprisings throughout Mexico were detailed in a statement issued here today by Gen. Jose Alvarez, President Calles' chief of staff, who declared in addition that as yet no regular army officer of any rank has revolted and that the personnel of the fighting forces has shown a marked loyalty to the Calles government.

Gen. Alvarez said it had been called to his attention that in some cases former officers of the Federal army had joined the insurgents.

His statement, issued under the heading of "Our Defeat and Our Victory," admitted Federal defeat at the hands of the rebels in the State of Durango, where Gen. Enrique Leon, chief of operations in that district, was trapped with 200 men in a ravine.

HELP BEING SENT

Four hundred insurgents attacked the troops and Gen. Maseo, second in command, was killed before the Federal army could retreat. Reinforcements are being sent into the Durango sector to battle the rebels.

The official confirmed rumors that twenty-one persons had been killed in the State of Jalisco. He said that where 200 youths had taken the field. The Federal troops stopped the movement and six hundred insurgents were hanged near the suburb of La Ventana.

MAJ. SILVEY KILLED

Capture of the guerrillas, however, became an opera bouffe affair, the statement said, when the insurgents released the prisoners and the guerrillas and his men were the victors in a surprise attack and took the town. The revolutionists, in coming of the town, arrested several labor leaders.

A troop of Federalists came on the scene a little later at Palo Alto where a brief combat took place. Twelve rebels were killed in the encounter and the equipment of the rebels seized and the revolting personnel driven off in disorder.

PLANET TO PLAY SKY SCENARIO

Twenty-Ton Camera to be Used to Film "The Eclipse," a
Drama of the Heavens With Saturn in Leading Role
and the Moon Playing the Dark Villain

CHICAGO, Jan. 11. (P)—Saturn becomes a cinema star the 28th inst. Six astronomers, operating a specially constructed twenty-ton movie camera, will film Saturn and his rings from Yerkes Observatory. The man in the moon also will have a role in this drama of the sky.

The handle will start turning about 5:30 a.m. when Saturn hugs himself and his rings into eclipses.

Health Commissioner Harris said today.

The local health office has been in daily telegraphic communication both with European health offices and with the Surgeon-General of Public Health in Washington, Dr. Harris said, and has been able to prepare for the fight against the spread.

However, there has been no alarming indication of the disease gaining foothold in New York.

**Regents Accept
University Gifts
Totaling \$6500**

SAN FRANCISCO, Jan. 11. (P)—Gifts to the University of California aggregating \$6500 were accepted by the Board of Regents at its meeting here today.

The larger gifts were \$8000 from the Native Sons of the Golden West for the history fellowship fund; \$1200.00 from the Community Chest for the university hospital; six calculating machines for Lick Observatory, the donors being A. L. Black, Bernard Benfield, W. H. Crocker, C. S. Cushing, J. D. Galway and J. E. Moffitt.

A special committee reported that no name had been selected for the Southern Branch of the institution.

SAN FRANCISCO, Jan. 11. (P)—The State Supreme Court today upheld a temporary restraining order of the Santa Cruz Superior Court which prevents the operation of the fish fertilizer plant of the Ocean Industries, Inc.

The fertilizer company had asked for an injunction to restrain the Santa Cruz court from putting its order into effect on the ground of lack of jurisdiction.

The Ocean Industries had installed the fish reduction plant on board the concrete hull Perla and had anchored it off Monterey Bay. The State Fish and Game Commission applied for an injunction on the ground that the plant was operating within the three-mile limit, or the legal limits of the State, and that its activities were a breach of the State statutes, penalizing reduction of food fish.

The company contended that it was operating beyond the three-mile limit, computing the distance from the inner boundaries of Monterey Bay. The commission held that the distance should be computed from the general coast line and the court upheld this contention. The line agreed on as the general coast line was computed between Point Pinos and Point Santa Cruz, the two headlands of Monterey Bay.

During the pendency of this action the fish reduction company petitioned the United States District Court here to restrain the lower court order and also asked for \$10,000 damages and an immunity of \$1000 a day for every day they were prevented from operating. This was denied.

**Coffee Drinking
Title Changes
Holders Again**

Downing eighty-five cups in seven hours and fifteen minutes, Gus won back the title from H. A. Steady of Amarillo, Tex., whose seventy-one-cup record recently had bettered Comstock's old mark of sixty-two.

Comstock, porter in barber shop when not defending his coffee laurels, was cheered by a crowd that jammed a hotel where Gus imbibed the coffee. It didn't cost Gus a nickel, as the hotel paid the bill.

**STRANGER TAKEN AS
"STRANGLER" SUSPECT**

OLYMPIA (Wash.) Jan. 11. (P)—A man who officers declare answers descriptions of the "strangler" sought for Pacific Coast and Middle West murders, was arrested here today. A habit of closing his eyes and permitting his head to droop after speaking, authorities said, fits descriptions of the strangler.

WHAT'S JUDGE LANDIS GOING TO SAY ABOUT THE BALL BOYS TODAY?

Photo of the famous White Sox infield which figured prominently in the story about the alleged fixed game in 1917, over which the latest baseball scandal is raging, shows from left to right: Swede Risberg, who started it by telling of collecting money for the pool; Eddie Collins, later manager for the team; Buck Weaver, nationally known star and Chuck Gandil, who said Risberg told only half the dirt. Risberg, Weaver and Gandil were banished from organized baseball following the crooked world series of 1919. Photo below shows Judge Landis, who is scheduled to make a decision about the 1917 matter today. The judge is hoping it won't rain any more scandals.

MORGAN ON NEW YORK'S BLACK LIST

Junior Lightweight Champ Suspended for Failing to Make Weight

NEW YORK, Jan. 11. (AP)—Tod Morgan of Seattle, the junior lightweight champion, was suspended indefinitely today by the State Athletic Commission for failure to make class weight of 130 pounds for the match he lost to Phil McGraw of Detroit last Friday night at Madison Square Garden.

Morgan was a granted permission by the commission to fight McGraw on the condition that he later risk his title.

The suspension consequently prevents him from accepting fights here before and after the championship match, until the ban is lifted. This conforms to the commission's policy in permitting suspended fighters in some cases, to fulfill contracts made prior to matches in which their violations occurred.

BRAWN HAS EDGE IN SWIM

Aquatic Ability, Endurance, Abdominal Fortitude Count More Than Brains in Catalina Race

BY FRED CADY

(L.A.A.C. Swimming Instructor)

With 153 swimmers entered and at least 125 of them assured of starting from the isthmus next Saturday morning, William Wrigley's ocean marathon is assured of being one of the greatest sporting events ever promoted.

William Wrigley, Jr., sponsor of the should a woman finish the race first, Wrigley will only be out \$25,000 for all the publicity that is being accorded his Magic Mile.

But it will certainly be worth that \$25,000 to any of the men or women swimmers who successfully negotiate the long grind through the Pacific waters that will average around 37 degrees.

Time, if any, who do conquer the stretch of water in the Catalina Channel will have to have marvelous swimming ability, amazing endurance powers, and—above

Yankees Boast Great Galaxy of Grid Stars

The greatest array of talent ever assembled on one football team will perform for "Red" Grange Sunday when the New York Yankees, of which the Wheaton whirlingwind is the leader, meet "Brick" Muller and his Los Angeles Buccaneers at Wrigley Field.

Never in the history of the grid sport has such a galaxy of stars been thrown together on one pigskin outfit.

Heading the list is the great Grange himself, the chap who needs no introduction to fans here or elsewhere. Picked for two years in a row on virtually every all-American selection, Grange is still the most talked-of player in football.

The others shape up something as follows, with no effort being made to rate the athletes.

Eddie Tryon, Colgate captain in 1925. Scored 350 points

BARRACUDA BASHFUL, SHARKS TIMID IN CHANNEL, CLAIM OF SWIMMER WHO FOUGHT 'EM OFF

Barracudas don't bite a swimmer, and the sharks off the California coast are timid creatures that wouldn't dream of taking a bite out of anybody unless aroused by the smell of blood, says Art Banfield, one of the 250 entrants in the Wrigley

Catalina Channel swim, to take place next Saturday.

And Art should know, for he is the first man that ever tried to swim the channel, a feat he almost accomplished in 1923. He claims he swam from San Pedro to within three miles of the island and was forced to give up then because he got lost in a school of barracudas that jostled him rudely but made no attempt to bite him.

STARTS ELEVATORS

Banfield is an elevator starter by vocation and a long-distance swimmer by avocation, being employed by the Baltimore Hotel, which institution will sponsor his attempt to win the Wrigley prize.

"I have engaged in long-distance swimming for many years and undertook to swim the channel in the fall of 1923 just to see if I could do it," he explained yesterday. "I put on a thick coat of axle-grease and started out from San Pedro about

TWENTY WILL LEARN FATE FROM CZAR OF BASEBALL

Ready to Give Verdict After Four Days of Examining Evidence Furnished by Ex-Stars

CHICAGO, Jan. 11. (AP)—Twenty baseball stars, half of them still in the major leagues, will learn tomorrow whether Commissioner Landis believes them guilty of "sloughing" a Chicago-Detroit series in 1917, to help the White Sox win the American League pennant.

Three managers are among the twenty, Ray Schalk, of the White Sox, Donie Bush, of the Pittsburgh Pirates, and John Collins, of the Detroit Tigers.

Other active members of the Detroit and Chicago clubs in 1917, involved in the charges of Swede Risberg and Chick Gandil, are:

U.S.C. Badgro (17), Hibba, Drury (1), forward; Bruner (14), center; Lewis (5), Larnette, guards; Oxy, Arthur (5), Ketchersid, forward; Black (2), Parke (2), center; Mishkin (4), Gode (1), guards.

WHITTIER FIVE WINS EASILY OVER LOYOLA

Coach Leo Calland's Whittier cagers experienced little trouble in subduing the Loyola College quintet and turned in a 36-to-14 victory last night on the Post court, Buckdorf, Whittier guard, featured the struggle, scoring fourteen of the Post points.

Line-ups: Whittier: Barmore (8), McWhirter (3), Jettberg (2), Cummings, forwards; Hunnicut (5), center; Buckdorf (14), Marshall (3), Phelan, guards.

Loyola: Cam, Despara, Eckenroth (4), McIsaac (7), forwards; Dougherty, Scurvorch, centers; Joyce, Donohue (8), Tunney, guards.

(Continued on Page 2, Column 5)

For two days Landis cross-examined these players and a score of others who have since retired from baseball. Risberg, face to face with the players he accused, told his story under oath that Rowland told him the Detroit-Chicago Labor Day series of 1917 was "all fixed."

Thirty-odd players paraded to the witness stand, all denying knowledge of the plot. Gandil, asphed Risberg's contention, and elaborated on the details, admitted.

Cromwell Hopes to Find New Track Stars in Trojan Novice

EX-PREP STARS TO SHOW STUFF

Payne, Labes Will Perform in Amateur Field Meet

Runners Placing Will Try Out for Varsity Berths

U.S.C. Team Shot Full of Holes as Stars Graduate

Track material not being as plentiful as in some past seasons, Dean Cromwell and Tommy Davis, Trojan track coaches, have arranged for two pairs of high-powered novices to be in the line-up at the amateur field meet, which is scheduled for Saturday at the University of Southern California.

Cromwell has ordered that all the novices be placed in the fourteen events on the program for the meet, which is scheduled for Saturday at the University of Southern California.

Letter or numeral winning men are not allowed to enter events in which they won the awards, but are eligible for the other events on the program. Any man may enter three events, and the four classes are permitted to enter three men in any event, which indicates a good time for all hands.

The meet will mark the final collegiate appearance of Jimmy Payne, national low-hurdle prep second holder, and Frank Labes, little in the shot put. Both are freshmen at the Cardinal and Gold institutions, and with several weeks of enthusiastic training behind them are ready to enter some sparkling work.

The graduation of a bevy of the older stars has caused an appreciable depletion in the ranks of Trojan point winners, and with the far western championship meet scheduled for the Coliseum on June 3 and 4, to which not only the Pacific Coast Conference teams, but every university and college west of the Rockies will be invited, Cromwell is anxious to present a representative team.

The Trojan coach has a praiseworthy habit of uncovering and developing stars, as well as taking prep school athletes and turning them into champions, and he hopes to find enough runners of promise in the novice ranks to fill the vacancies existing in the varsity squad.

There is an especially noticeable lack of hurdlers this year. Lightfoot, Dyer and Ron Stevens being absent from the high and Ken Grumbine and Dyer from the low. Cliff Reynolds holds the high-stick event more or less to himself, while Marshall Bonham, ex-stroke, is the lone hope in the low, accepting of course, Mort Kear.

The events on Friday's program are as follows:

100-yard dash, 200-yard dash, 400-yard dash, 800-yard dash, 1,600-yard dash, 3,200-yard dash, 5,000-yard dash, 10,000-yard dash, 20,000-yard dash, 40,000-yard dash, 80,000-yard dash, 160,000-yard Play in the auxiliary golf team league will get under way over the circuit tomorrow. Mrs. C. M. Midgley, chairman, has worked like a Trojan organizing for the season, and El Caballero will replace Midgley, while Bel-Air will start in place of San Gabriel. The two necessary substitutions will greatly simplify the traveling schedule and games carded for Midgley will be played at El Caballero while San Gabriel's card will be taken over by Bel-Air.

Wilson municipal course in Griffith Park tomorrow. The official opening of the new course will be held at the Griffith Park course tomorrow. The official opening of the new course will be held at the Griffith Park course tomorrow.

Major George C. Thomas, Jr., who laid out the new all-grass course, but Uncle Eddie Tufts, grand old man of California golf, will be master of ceremonies during the fine celebration that has been arranged in honor of the Westworth's great new course, the second all-grass eighteen-hole layout in the Warren G. Harding Memorial Park.

The play of Cruikshank and Golden with Guest and Dudley will be doubly important as the same combinations will vie for favorite honors in the California State team championship tournament at the Los Angeles club Friday, Saturday and Sunday. While the four mentioned celebrities will have many backers in the elimination tournament, Bill Mehlhorn and Leo Diegel, John Black and Mike Brady, John Farrell and Joe Kirkwood or Harry Cooper, Tommy Armour and Al Watrous, and several other internationally famous combinations will give Southern California the greatest exhibition of championship golf imaginable.

George Von Elm, national amateur champion, and W. W. Hunter, California open titleist, will start play representing Los Angeles, and before Hunter turned professional the combination was practically unbeatable. Von Elm defeated Hagun, stroke for stroke, in two exhibitions here recently, and is one of the great match and medal players in the world—and as Willie is no slouch at a fair bear considerable watching.

Pairings for the team-match play will be drawn tonight and first-round matches will be played Friday. Second round, Saturday, starting at 10 o'clock daily with semifinals and final Sunday. The golfers will compete for representative shares in a \$20 purse. The three-day event will be played over the north course of the Los Angeles Country Club and will be open to the public. A nominal admission fee will be charged. The tournament will be the first real championship match play event the West Coast has ever known and with the thirty-two low scorers in the \$10,000 Los Angeles championship already signed, the coming event promises to rival even the successful affair sponsored by the Junior Chamber of Commerce.

GRANGE PRESENT

"Red" Grange, the gridiron hero, was another on the list of Dan Tobey's introductions. He was given a riotous reception.

The semi-wind-up decision was awarded to Mike O'Connor, a much-tattooed sailor, over Paul Farish. Benny Miller scored two knock-downs over Young Bell and beat him in six rounds. Hamilton Jenkins, a black person from Denver, won from Pruitt Steelman, in four rounds, and Jimmy Martin captured the curtain-raiser from Dick Guerra via the technical knockout route in three rounds. The latter's seconds heaved in the towel.

Clifford James defeated Lester B. Rose, 35 to 14, in last night's match of the city championship three-cushion round-robin billiard tournament, now in progress at Stevens' Billiard Palace. In Monday night's opening match F. H. Mathias, former Minnesota three-cushion champion, won from J. P. Brady, 85 to 19.

Tonight will bring together A. Johnson and E. S. Miles at the Stevens Billiard Palace in what is expected to result in a brilliant match. Eight of the city's best three-cushion billiardists are entered in the tournament.

GRANGE BOASTS TEAM OF ALL-STARS

(Continued from First Page)

while playing college ball. Plays halfback and has been picked on every all-American team worth mentioning. Led the East in scoring his last season. Looks small but weighs 180 pounds.

Pooley Hubert, Alabama quarterback in 1926. Those who didn't see him against Washington last year have heard all about him by this time so there's no use of our writing anything. He and Tryon are the highest-salaried players on Grange's team, drawing \$6000 each for the season.

Francis Kearney, Cornell captain and tackle in 1926. Played three years and has been named on scores of all-American teams.

George Fosse, quarterback and captain of Columbia in 1925. One of the greatest players the East has ever turned out. An all-around star, appearing in track and baseball as well as football. Plays quarter for Grange.

Ralph Scott, all-American tackle while with Wisconsin in 1926. Weighs 234 pounds. Scott is getting old now, so he coaches Grange's athletes, playing only when he notices somebody laying down, which isn't often. Has played five years of pro football.

Paul Goetel, all-American end while at Michigan in 1922. Captained Wolverines that year. Played pro ball with Chicago Bears last season. Stands well over six feet tall and specializes in bringing down high passes.

Ed Garvey, one of Knute Rockne's products. Has been playing pro football for six or seven years. Weighs 248 pounds and once starred as a heavyweight boxer. Was an out-and-out all-American while at Notre Dame.

Steve Schimmetich, Columbia center for three years beginning in 1922. Another all-around star, being a track and crew mainstay.

Art Goglier, all-Missouri Valley end in 1925. A great field goal kicker and a dependable pass receiver.

August Michalske, three-year man at Penn State, fullback and guard. Also three-year man in track.

Roy Baker, University of Southern California. Every well-posted football fan in Los Angeles knows him.

And a whole flock of other notables, including Paul Minnick of Iowa, Bob Hall of Illinois, F. Lowell Otto of Iowa, Wesley Fry of Iowa, Gerald Maloney of Dartmouth, County Oiler of Alabama, Leo Krie of Iowa, Angus Goets of Michigan, Harold Griffin of Iowa, Larry Marks of Indiana and Mr. C. C. Fyle, the all-American promoter.

That's the bunch "Brick" Muller has to face Sunday. Tomorrow we'll try to furnish the dope on Muller's outfit.

IM THE GINK

I'm the gink who thinks the water and electric light companies are composed of a bunch of robbers. I know they pad my bill. I am always protesting that I couldn't have used the amount of water or electricity that they have me charged with. Of course, I know they have meters and trained men to read them, but I don't trust them. Other people may be treated all right, but I am singled out and made the goat. That's what I think. The meter, which is mechanical and rarely out of order, says so, but you'll never make me believe that I used the amount I'm credited with. They are a bunch of robbers anyhow.

FIVE JURORS SELECTED AT DR. NORRIS'S DEATH TRIAL

Defense Discloses Its Plans for "Apparent Danger" Argument as Chief Weapon for Pastor

COURTROOM, AUSTIN (Tex.) Jan. 11. (P)—Dr. J. Frank Norris, fundamentalist pastor of Fort Worth, went to trial for his life in District Court here today with the law of "apparent danger" as the chief pillar of his defense, five jurors had been selected by 4:30 p.m.

Questions put to prospective jurors by defense attorneys revealed that Norris's lawyers will draw a sharp distinction between "apparent danger" and "actual danger," and that they will lodge their defense in that phase of Texas criminal law which says that a man need not be in actual danger of his life to justify him in using extreme means for his protection, but need be only in such danger that, viewing the circumstances from the position and mental attitude of the defendant, he had a reasonable belief that his life was endangered.

FEAR TO BE TOLD

The questions to prospective jurors indicated that they will contend he believed he was about to be killed when Dr. E. Chipps entered his church office on July 1, 1926 and that for this reason he shot Chipps. Selection of a jury went forward rapidly once the plea under which both sides made their decisions on jurymen with little contention, examining veniremen at the rate of about four an hour. The first twenty veniremen yielded five jurors. Examination of the panel disclosed that many prospective jurors had been receiving copies of Dr. Norris's paper, the Searchlight, and a dozen of the veniremen said the paper was coming to their homes by mail and that they had not subscribed for it.

The publication carries Dr. Norris's sermons and at various times has printed articles relating to the killing of Chipps and the events leading up to the tragedy. A few had heard Norris or his attorneys discuss the case over the radio.

SEVERAL WANT PROOF

Veniremen were asked their ideas of self-defense, and especially of the right of a minister to defend himself. All those accepted said they believed a person could be justified in killing another to defend himself, and that they would make no distinction as between a minister and any other citizen. Several men were dismissed because they insisted they would require the defendant to prove that he was in actual danger.

All were asked to state their church affiliations, several whether they were members of the Ku Klux Klan, and one man who had been a preacher was questioned about his beliefs on evolution and fundamentalism. This prospective juror, J. T. Wood, former preacher, said he believed he had been "created by God" and did not come up from a monkey.

Two of the first five jurors are laborers, one a retired seaman, one a sheriff, one works in a dairy and the fifth is retired. All are married. The first five selected are: W. D. Miller, former sheriff, 37 years of age; C. J. Brown, 37, laborer; O. D. Moore, 34, laborer; Walter Johnson, 37, dairyman, and Will J. Hill, 61, retired.

CHURCH TO BUILD HUGE DISTILLERY

Denver Bishop Declares Constitution Gives Right to Make Liquors

DENVER, Jan. 11. (P)—National headquarters for the Liberal Church will be transferred from Denver to Sunshine Valley, Colo. county, New Mexico, next Sunday, Bishop Frank H. Rice, president, announced today.

The purpose of transferring headquarters to New Mexico, Bishop Rice said, is to carry on the church's crusade for modification of the dry laws.

"In New Mexico," Bishop Rice said, "we plan to operate the largest still and winery in America, manufacturing intoxicating liquors for sacramental purposes, as provided by the Federal Constitution. We now have 72,000 members. The Federal Constitution states explicitly that we can manufacture six gallons of liquor for each member of a family subscribing to our tenets. The average family is of four persons, so we plan to manufacture this year approximately 1,728,000 gallons."

TRUCKMEN MUST WARN WHEN LOAD EXTENDED

SAN FRANCISCO, Jan. 10. (P)—When truck owners load vehicles in a manner so as to permit the bulk to extend beyond the carrying surface, great care must be exercised in marking the extended portion with danger signals, the State Supreme Court ruled today in upholding a \$10,000 Los Angeles Superior Court judgment in favor of Mrs. Vada Lou Miller for the death of her husband.

She sued Jerome F. Lyons and his employers, the Orange County Drilling Company.

THIRTY-SIX FIRE VICTIMS BURIED
Children Dead in Montreal Disaster Laid to Rest

Great Bell of Notre Dame Echoes City's Sorrow

Thousands Throng Church and Cemetery Route

MONTREAL, Jan. 11. (P)—As "Le Gros Bourbon" of Notre Dame Church tolled in the business district of Montreal this morning, funeral services were conducted in the Church of the Nativity for thirty-six of the seventy-seven children who lost their lives in the Laurier Palace Theater disaster here Sunday.

The burial mass was started at 9 o'clock and at that hour the pealing of "Le Gros Bourbon," the second largest bell on the North American continent, tolled only on occasions of national grief, could be heard throughout the city.

The church was crowded to the doors and thousands gathered outside. Citizens from all walks and stations of life were present to pay respect to the little victims of the tragedy, some of them barely 4 and 5 years of age.

Lord Willingdon, Governor-General, was represented by Brig.-Gen. E. D. E. Paret.

Thirty-six bodies, inclosed in white coffins, rested on two rows of catafalques on either side of the main aisle of the church.

Monsieur Le Pailleur, who had known most of the victims in his capacity as pastor of the district in which the tragedy occurred, officiated.

After the services the funeral corteges slowly wound their way through the city streets to the cemetery in Cote Des Neiges, the route of the procession being lined five and ten deep with men, women and children.

Archbishop Gauthier pronounced a brief and forceful address. "Why do our legislators leave these places open on Sunday," he asked. "Let us pray that our legislators will be able to build a law that will be constitutional and that will keep our children out of these cinemas."

He urged that the inquiry which is expected to be conducted into this tragedy and the administration of amusement places generally should be thorough and should take cognizance of the moral dangers of the shows as well as the material dangers.

DR. CURTIUS TO FORM CABINET
People's Party Man Called as German Premier

Combination of Bourgeois Groups Planned

Government Expected to be Merely Stop Gap

BERLIN, Jan. 12. (P)—A Cabinet including all the bourgeois parties from the Nationalists and Democrats, will be sought by Dr. Julius Curtius named by President Von Hindenburg to succeed Chancellor Marx.

Failing in this, the Chancellor-designate is instructed to form a small coalition government on Nationalist lines.

The resignation of the Marx government was presented a few weeks ago after a defeat in the Reichstag. Dr. Curtius, called in by the President yesterday, is a member of the People's party of which Dr. Stresemann, the Foreign Minister, is the leader.

Parliamentary circles believe that even if he succeeds in forming a ministry, it will be merely a transitional one, with the object of bringing about the dissolution of the Reichstag and new elections.

Huntington Palisades
The Logical Place to Buy a Homesite

HUNTINGTON PALISADES occupies a broad tree covered mesa extending from the ocean to the newly completed Beverly Boulevard. It is the first point of contact between this fine boulevard from Los Angeles and the Ocean.

... Huntington Palisades is closer to the business district of Los Angeles than any other residential property on Santa Monica Bay available today at original prices.

... Huntington Palisades has the most favorable climate. It is flanked by Santa Monica and Portrero Canyons which create a draft to draw off the cold air and also prevent frosts. The towering palisades shield it from the wind and permit the presence only of the gentle and temperate ocean breezes. Its elevation of some 200 feet raises it above the dampness of the surf.

... Huntington Palisades offers another invaluable feature. Each site carries with it an undivided community interest in a 300 foot bathing beach and palisades park.

... To these are being added an expenditure of \$1,000,000 for improvements which will make Huntington Palisades the most beautiful residential district in Southern California.

... Now is the time to buy in Huntington Palisades. Sites are priced from \$3,000 to \$15,000 with a few very large sites at higher prices. Easy Terms of payment will be arranged.

By Rote or By Reason?

Do you select your bonds by rule of thumb? Do you look for the three or four standard essentials and let it go at that? Any good bond must offer security of principal, certain and prompt payment of interest, adequate diversity, and a broad market.

The important consideration for you is to select bonds that meet these requirements and at the same time exactly fill your own personal needs. What securities you already own, the provisions of your will, the amount of income tax you pay, whether or not you are actively engaged in business. These are matters that apply to you alone and are important factors in selecting good bonds that exactly suit your own needs.

It is our business to sell good bonds that exactly fill the requirements of our clients.

Investment losses can be easily avoided

SOUND investment is largely a matter of sound thinking. The investor who seeks SAFETY should consider just two things, namely, security of principal and certainty of income, at a fair and logical rate of interest.

Any other process of reasoning leads inevitably into the field of speculation.

There is no need for any person to take chances when an investment thoroughly secured by the best type of improved real estate, and guaranteed by an institution with resources of \$50,000,000.00, is obtainable in amounts of \$100 and up. Investigate.

NEW YORK CURB STOCKS

NEW YORK, Jan. 11. (AP)—Reactionary price tendencies predominated in today's curb market, but there were several strong spots scattered throughout the list. Buying appeared to be of a selective character, centering in issues which hold promise of special developments within the next few months. Declines, as a rule, reflected an absence of demand rather than any special pressure to sell.

Irregularities again developed in the petroleum group, although the reported increase in crude-oil production last week had a favorable effect on sentiment. Losses of a point or so developed in a few of the pipe-line shares, while most of the South American issues yielded fractionally.

A sudden revival of activity and strength in Fanny Farmer was associated with reports of an increase of nearly 30 per cent in the increase of stock closing 1 1/4 points higher at 31, a new top. Freshman Radio and Auburn Auto each moved up over 2 points and Bankers Trust, Borden, Brille, Marmon, International Silver, Lehigh Coal and Navigation, a point or more. Ford of Canada advanced 5 points on odd-lot transactions and sharp recovery took place in Celotex, Philip Morris and United States Gypsum.

Public utilities were steady.

Hoax Woman Plans Speaking Tour as Evangelist Departs for East

CASE COLLAPSE EXPOSED HINTED

Contract for State-wide Tour Reported

Mrs. McPherson Cheered as Journey Begins

Wiseman Fictitious Check Case Dropped

While Almee Temple McPherson was en route to Denver on the first leg of her nation-wide speaking tour of eight or nine weeks, she was followed by a send-off from the Santa Fe station by several hundred followers.

After she had married Richard C. Twichings, according to the divorce complaint filed by Mrs. Grace C. Twichings, the nurse through their last illness two women she supposed to be his mother and his sister. Later she said she learned the women were former sweethearts of Twichings.

During this period, Mrs. Twichings complained, she supported herself and paid the funeral expenses of one of the women.

The train departed at 12:01. The evangelist asserted she planned on spending several days at an Arizona resort before proceeding to Denver for her first lecture, scheduled for Saturday and Sunday nights.

DENIES RETRACTION
Yesterday through her attorney, Mrs. Wiseman emphatically denied she had changed her story concerning her alleged hiring by the evangelist to manufacture false evidence to vindicate Mrs. McPherson of the charge that she spent ten days at a Carmel bungalow with Kenneth G. Orniston, former Angeleno Temple man.

Mrs. Wiseman asserted she did not change her story and that any statements she made were made under the solicitation of the District Attorney's office.

They told me that they knew Mr. Woolley (Roland Rich Woolley, personal attorney of the evangelist) was mixed up in my deal and that they wanted me to tell the truth, she asserted yesterday. "I made no statements in this connection, but I did not change my story," she thanked me and praised me for telling the truth and I was startled the next morning when I read in the newspapers that Mr. Keyes had referred to me as a perjurer and a turncoat. I told the truth about everything and they made me the goat in this deal.

She in her lecture said her contract will call upon her, Mr. Hahn said, to tell the "inside story" of the McPherson case.

Intimations were made that in the event the contract goes through, Mrs. Wiseman will be prepared to hurl sensational charges in connection with the dropping of the case by Dist. Atty. Keyes on Monday, as well as her story of the "Miss X" plot and other details with which she is intimately acquainted.

Announcement of the contemplated tour of Mrs. Wiseman and her husband will be prepared to hurl sensational charges in connection with the dropping of the case by Dist. Atty. Keyes on Monday, as well as her story of the "Miss X" plot and other details with which she is intimately acquainted.

Approximately 500 members of Angelus Temple were on hand yesterday when the Santa Fe's California Limited pulled out with Mrs. McPherson and her party. She remained on the observation platform for more than fifteen minutes while her followers sang hymns to the accompaniment of a brass band.

The evangelist had little to say during her farewell other than to inform the gathering that she was happy and that she wanted them to take good care of her mother, Mrs. Minnie Kennedy, and be of every assistance to Rev. A. G. Orr, evangelist, who is to fill her pulpit during her absence.

She brought a chuckle from the crowd when she said: "You see, I didn't wear my goggles today and the reporters found me."

She chatted amiably and shook hands with all able to get near the platform and just before the train left she threw candy and flowers to eager outstretched hands.

STOP AT PASADENA
Mrs. McPherson's first stop yesterday was at Pasadena where she was greeted by 200 persons and while several escaped injury when the limited straggled backward after the evangelist was released ready to start again.

One man at Pasadena handed her a red bill and she brought a chuckle from the crowd when she said: "You see, I didn't wear my goggles today and the reporters found me."

Others handed her flowers and candy. She chatted amiably and shook hands with all able to get near the platform and just before the train left she threw candy and flowers to eager outstretched hands.

Last night's services, as usual, were conducted by the Bible students of the Temple. Mrs. Kennedy announced that Mr. Orr will assume the pulpit lunch concession on an indefinite period.

JUDGMENT RENDERED AGAINST MRS. MCPHERSON
SAN JOSE, Jan. 11. (Exclusive)—Unpaid bills left here by Almee Temple McPherson in 1922 and by Mrs. Lorraine Wiseman, her secretary, occupied the center of interest in Justice C. L. Witten's court today when a settling of accounts was held.

Judgment against Mrs. McPherson in the amount of \$68.17 was made by Justice Witten on Monday, at which time she also was ordered to pay the balance of a bill for \$185 worth of electricity used by her in 1922. At the same court session Mrs. Wiseman pleaded to cover a check for the amount given by her to John Bloom, a tailor, who found there were no funds when he tried to cash the check. Mrs. Wiseman sent the wire in response to a warrant served on her as she was leaving the courtroom in Los Angeles at the conclusion of the hearings on the McPherson case.

The judgment against Mrs. McPherson included \$45 still owing on the bill and \$18.17 court costs. She has been served twice with a summons to appear in court on a civil suit but has failed to comply with the order.

TEMPLE ASSOCIATION SEEKS BUILDING LOAN
Further expansion of Almee Temple McPherson's "Four Square Gospel" was seen yesterday in the filing in Superior Court of a petition to mortgage property in Alhambra for the purpose of raising funds to erect a new church in that city.

The petition was filed in the name of the Echo Park Evangelistic Association and asked the court to sanction a loan of \$3000 on a parcel of real estate owned by the association in Alhambra. It was stated the proceeds of the loan, if the petition is granted, will be used to erect a house of worship on the property.

The judgment against Mrs. McPherson included \$45 still owing on the bill and \$18.17 court costs. She has been served twice with a summons to appear in court on a civil suit but has failed to comply with the order.

Report on Size of L. R. Robinson Estate Denied
Denial that the estate of the late Lewis R. Robinson will amount to \$300,000, as stated in recent newspaper accounts, was made yesterday by E. B. Simon, personal attorney for Mrs. Lois M. Robinson, his widow. He said, it will not exceed \$40,000.

Mr. and Mrs. Robinson, he said, were married in 1912 in Nebraska. After coming to California, he bought an Imperial Valley ranch, making other careful investments, doubling their money in the past ten years. During this time the husband was in ill-health most of the time and the burden of the business management fell upon Mrs. Robinson. Most of their time since coming here was spent as residents of Los Angeles and Glendale.

Report on Size of L. R. Robinson Estate Denied
Denial that the estate of the late Lewis R. Robinson will amount to \$300,000, as stated in recent newspaper accounts, was made yesterday by E. B. Simon, personal attorney for Mrs. Lois M. Robinson, his widow. He said, it will not exceed \$40,000.

Mr. and Mrs. Robinson, he said, were married in 1912 in Nebraska. After coming to California, he bought an Imperial Valley ranch, making other careful investments, doubling their money in the past ten years. During this time the husband was in ill-health most of the time and the burden of the business management fell upon Mrs. Robinson. Most of their time since coming here was spent as residents of Los Angeles and Glendale.

MATE ACCUSED IN NURSE HOAX

Wife Asks Divorce, Saying She Unknowingly Took Care of Former Rivals

After she had married Richard C. Twichings, according to the divorce complaint filed by Mrs. Grace C. Twichings, the nurse through their last illness two women she supposed to be his mother and his sister. Later she said she learned the women were former sweethearts of Twichings.

During this period, Mrs. Twichings complained, she supported herself and paid the funeral expenses of one of the women.

The train departed at 12:01. The evangelist asserted she planned on spending several days at an Arizona resort before proceeding to Denver for her first lecture, scheduled for Saturday and Sunday nights.

DENIES RETRACTION
Yesterday through her attorney, Mrs. Wiseman emphatically denied she had changed her story concerning her alleged hiring by the evangelist to manufacture false evidence to vindicate Mrs. McPherson of the charge that she spent ten days at a Carmel bungalow with Kenneth G. Orniston, former Angeleno Temple man.

Mrs. Wiseman asserted she did not change her story and that any statements she made were made under the solicitation of the District Attorney's office.

They told me that they knew Mr. Woolley (Roland Rich Woolley, personal attorney of the evangelist) was mixed up in my deal and that they wanted me to tell the truth, she asserted yesterday. "I made no statements in this connection, but I did not change my story," she thanked me and praised me for telling the truth and I was startled the next morning when I read in the newspapers that Mr. Keyes had referred to me as a perjurer and a turncoat. I told the truth about everything and they made me the goat in this deal.

She in her lecture said her contract will call upon her, Mr. Hahn said, to tell the "inside story" of the McPherson case.

Intimations were made that in the event the contract goes through, Mrs. Wiseman will be prepared to hurl sensational charges in connection with the dropping of the case by Dist. Atty. Keyes on Monday, as well as her story of the "Miss X" plot and other details with which she is intimately acquainted.

Announcement of the contemplated tour of Mrs. Wiseman and her husband will be prepared to hurl sensational charges in connection with the dropping of the case by Dist. Atty. Keyes on Monday, as well as her story of the "Miss X" plot and other details with which she is intimately acquainted.

Approximately 500 members of Angelus Temple were on hand yesterday when the Santa Fe's California Limited pulled out with Mrs. McPherson and her party. She remained on the observation platform for more than fifteen minutes while her followers sang hymns to the accompaniment of a brass band.

The evangelist had little to say during her farewell other than to inform the gathering that she was happy and that she wanted them to take good care of her mother, Mrs. Minnie Kennedy, and be of every assistance to Rev. A. G. Orr, evangelist, who is to fill her pulpit during her absence.

She brought a chuckle from the crowd when she said: "You see, I didn't wear my goggles today and the reporters found me."

She chatted amiably and shook hands with all able to get near the platform and just before the train left she threw candy and flowers to eager outstretched hands.

Last night's services, as usual, were conducted by the Bible students of the Temple. Mrs. Kennedy announced that Mr. Orr will assume the pulpit lunch concession on an indefinite period.

JUDGMENT RENDERED AGAINST MRS. MCPHERSON
SAN JOSE, Jan. 11. (Exclusive)—Unpaid bills left here by Almee Temple McPherson in 1922 and by Mrs. Lorraine Wiseman, her secretary, occupied the center of interest in Justice C. L. Witten's court today when a settling of accounts was held.

Judgment against Mrs. McPherson in the amount of \$68.17 was made by Justice Witten on Monday, at which time she also was ordered to pay the balance of a bill for \$185 worth of electricity used by her in 1922. At the same court session Mrs. Wiseman pleaded to cover a check for the amount given by her to John Bloom, a tailor, who found there were no funds when he tried to cash the check. Mrs. Wiseman sent the wire in response to a warrant served on her as she was leaving the courtroom in Los Angeles at the conclusion of the hearings on the McPherson case.

The judgment against Mrs. McPherson included \$45 still owing on the bill and \$18.17 court costs. She has been served twice with a summons to appear in court on a civil suit but has failed to comply with the order.

The LAST WORD

By ALMA WHITAKER

LIFE'S LITTLE BLESSINGS

"It's no use, I can't possibly get to sleep without my hot-water bottle," wailed the lady guest at our beach cottage. She had forgotten to bring her rubber hot-water bottle along, and hadn't one on the premises, and she looked utterly wretched.

The nearest drug store was five miles away, and it was not a cold night, either. But her husband, Mr. Charles R. Ramsey, of Flintridge, and Louis Artigue, which will take place this evening at the home of the bride's parents in Woodleigh Lawn. It is to be a very quiet ceremony and the bride will be assisted by Mr. Charles E. Ames as matron of honor, while Miss Mary Louise Lehman will be maid of honor and Milton Green is to serve Mr. Artigue as best man.

"I am really ashamed to be so much trouble," she murmured, "but I suffered so from rheumatism for years, until I discovered that rubbing up to a hot-water bottle sent me off to sleep. I have come to depend upon it. You know," she whined, "I often thank God for the man who invented rubber hot-water bottles. Oh, they are a precious blessing."

So after that we began to talk about our pet blessings, the little ones that we so soon take as a matter of course.

"Mine," laughed Miriam, "is a patient car-painter. It's a gem. Before I found it I used to rush about at opening cans that I always cut myself and got hot and cross and was out on the family. In fact, with all the wonderful food that comes in cans, I used to be such a mess. Then one day Jack brought me a precious patient car-painter, and I have been a happy woman ever since."

"Mine," giggled Ethyl, "is those jolly little contraptions for keeping my shoulder straps on my shoulders. For years I was kept putting on and taking off my shoulder straps, and it was a terrible nuisance. Now I can keep them on my shoulders, and I can go to bed and get up without any trouble."

Bert Forest has returned to her home at 2124 Elwood Drive, Mrs. Forest is planning soon to have a winter home in Palm Springs.

MOTHERS AND THEIR CHILDREN

To Teach Clock Time

One Mother Says:

I painted the hands of an old clock different colors, making one red and the other blue. This made it easier for my little daughter to follow instructions on how to distinguish between the two. After a few weeks on this clock, she was able to tell time on one that wasn't painted.

ANNULMENT SUIT BEGUN BY MOTHER

Mrs. Borgeson Declares Daughter Under Age When She Wed Recently

Fulfilling her announcement of last week, Mrs. Eugenia D. Borgeson yesterday filed suit against Leonard L. Thomas to annul his marriage to her daughter, Aloha Porter, better known as the 1926 "Miss Venice."

"Miss California," of beauty contests here and in the north.

The action charges, briefly, that the bride is only 17 years of age, and married Thomas on December 30, 1926, without the consent of her parents.

At the time news of the sudden marriage became public, Aloha stated publicly that "I knew I didn't want to married until after I did." She telephoned to her mother soon afterward and declared, and believe me, they have made by young telephone calls later.

Mrs. Borgeson, who summoned Attorney Charles A. Wyman and directed that the annulment action be filed.

Diet and Health

By Lulu Hunt Peters, M.D.

INFLAMMATIONS AROUND THE NAILS

Inflammation around the roots and sides of the nails is known by the technical name of Paronychia. The condition is caused by bacteria which cause inflammation elsewhere—injuries, ringworm and other skin diseases. This is a good idea to wash out the spot with peroxide of hydrogen before putting in the medication and cotton. Strip the nail one-half inch from the base and insert the adhesive strap in the following manner:

One end of the strap on the overlapping fold in such a manner that you can pull the adhesive around under the toe and so pull the overlapping fold away from the nail. Carry it way around and over the nail so that it will wrap where you started and so hold in the medication and cotton.

CAUSES OF INDIGESTION

Mrs. B. has been having a correct diet, according to her latest knowledge of diet, but still she has chronic indigestion.

There are other things besides incorrect diet which cause indigestion. Mrs. B. has chronic indigestion elsewhere in the body, may act reflexly upon the stomach. You should have a thorough examination to see if something of this nature is not operating in your case. If it is so, naturally, until the original trouble is cleared up, you could expect no relief.

INGROWING TOE NAILS

Ingrowing toe nails always mean that there is some pinching of the toes, either from too narrow or otherwise ill-fitting shoes. The large toe nail is the one that is most frequently affected. The nail shows first in the fleshy part of the toe and the inflammation which is caused by this usually goes on to suppuration, and there are always pus germs on the skin and they take advantage of any opportunity to invade under some ingrowing nail.

Treatment. For severe cases of continually relapsing ingrowing toe nails, the only reliable method is to remove the nail. This is done by the use of a special instrument which cuts off a slice of the nail, and it will give permanent relief. Don't let it worry you. The home treatment is as follows:

Soak the foot in hot, soapy water, separate the nail fold as far as possible, and dust with boracic acid powder.

Annual Meeting of Redlands Boosters

New Activities Included in Year's Work

REDLANDS, Jan. 11.—The active work of the Chamber of Commerce during the past year was reviewed and plans made for the coming year tonight at the annual meeting which was held in the dining room of the Congregational Church with more than 200 present.

It was a great meeting with Edward Y. Trefz, of Los Angeles, former secretary of the National Chamber of Commerce, as the speaker. Billy Ferguson led in the community singing. Prof. Carl Kuehne of the high school, furnished the music for the orchestra. Mrs. C. Calder Bennett sang solos and there were other and other features. Henry Hoffman, retiring president of the Chamber of Commerce, presided at the meeting.

"My Town" was the subject of the talk that was given by Mr. Trefz, who stated he spoke here several times during war times has been doing promotion work in Chicago and Florida. "There is not a town in California that does not have a wonderful opportunity," said Mr. Trefz. "There is property on every hand and the people who are alive to the opportunities and build their town as you have are building with fine schools and churches and public buildings. They will reap a sure benefit later for all their efforts."

Mr. Trefz does not believe there is any place in the active growing interest community for the Communist and the man who would tear down the ideals under which this country has been founded.

The report of A. E. Isham, who for several years has been the secretary of the association, showed a greater activity in all promotion lines this year than ever before.

Announcement was made of new officers and directors for the coming year as follows: Henry B. Jenkins, president; H. Earl Cronin, first vice president; Austin T. Park, treasurer; and A. E. Isham, secretary.

School Friend Reports Seeing Missing Girl

ARCADIA, Jan. 11.—That Florence Bishop, 17-year-old Arcadia girl, who vanished from the Monrovia High School Thursday afternoon, last, was seen in Los Angeles Saturday, was learned today by Police Chief Coby of Arcadia. A school acquaintance saw her at Seventh and Spring streets, Los Angeles, but did not speak to her because of heavy traffic, according to Coby.

The girl had bobbed her hair, it was said, but was still wearing the regulation midgy blouse and skirt adopted by the local high school girls. It was believed probable that she would change clothing, as her parents, Mr. and Mrs. John M. Bishop, 1831 South Sixth avenue, Arcadia, reported that a fan silk dress was missing from their home.

The family and police were still unable to advance any probable reason for the disappearance of the girl who vanished from the high school during mid-afternoon without being seen by students or faculty members. She had complained a few times about attending school, it was said, but had not appeared despondent. Her school authorities reported that she had a high scholastic standing. Police today were concentrating their efforts toward locating the missing girl in Los Angeles.

SEEK IDENTITY OF VICTIM OF SUICIDE

LONG BEACH, Jan. 11.—Police today redoubled their efforts to identify the remains of an aged man who committed suicide in the waste lands near Long Beach late yesterday by firing a bullet into his temple. Gray-haired and approximately 65 years of age, the man made several attempts at taking his life before he succeeded, police say. Unexploded shells in a rusty revolver told the tale, several of them showing that attempts had been made to fire them.

The body, found by Detective Sergeant Dixon and Wright, was sent to the Coroner & Co. undertaking rooms. It is said to be a man about five feet eleven inches tall, weight about 165 pounds. He wore a blue serge suit, heavy overcoat and dark shoes.

FORMER OFFICIAL DIES
LONG BEACH, Jan. 11.—Charles Henry Stanley, former Long Beach Councilman and owner of the famous Sharon Inn, died today at Chestnut avenue and Broadway, died here early today at the age of 66 years. His death followed an illness of two weeks, ascribed by physicians to heart trouble. He is survived by his widow, Mrs. Mary L. Stanley, four daughters, Jane and Rachel Stanley of this city; Mrs. Roy C. Robinson of Bismarck, N. D.; and Mrs. Henry C. Folger, Jr., of Sharon, N. Y.; two sons, Eugene and Charles Stanley, Jr., of this city; and sister, Mrs. Hattie B. Cady of New York.

ROB DOCTOR'S OFFICE
RUSTINGTON PARK, Jan. 11.—When Mrs. J. Walter Clark and Marie Dea Clark, children of the late Rob Doctor, died yesterday, they found it had been entered during the week-end and equipment valued at \$200 was stolen. The principal loss was an electric diathermy machine, which, according to Dr. Clark, was valued at \$200, while a set of glass electrodes represented the rest of the loss. It is thought that a small party was used in gaining entrance through the doorway.

SHOOTING MYSTERY UNSOLVED

Ventura Negro Dying After Gun Duel With Woman Killed in Fray

Improvements to Include New Public Park

VENTURA, Jan. 11.—A mystery shooting in an isolated shack on the Ventura River front in which a negro woman was killed and a negro bootblack sustained six gun shot wounds, held the attention of city authorities today. Meager information concerning the fray in which "Plutty" House, 25 years of age, was killed and Leroy Haywood, 39, was wounded, was obtained by Police Officer R. T. Mosher, in face of staid silence maintained by the negro.

Haywood says he shot himself but would make no statement to city police as to the death of his woman companion. Dist. Atty. James C. Hollingsworth stated that he will file a murder charge against Haywood, if recovered.

Sixteen shots were fired from a revolver and an automatic pistol according to Officer Rex Randall. The shooting occurred last night in "Shanty Town" at the foot of Santa Clara street. The fusillade alarmed the neighborhood and scores of residents of the district gathered around the death house when the police arrived.

Haywood was walking around the outside of the house with a smoking pistol in his hand when the police arrived. The shooting was reported to the police after Haywood went to a near-by house and told a colored woman living there, who is an undertaker and an ambulance.

"We need both, sister," he told the woman. Chief Mosher found Haywood dressed. Her body was riddled with bullets and one of the shots had entered her head.

After a preliminary investigation, police stated that the woman was a victim of a gun duel. It is believed that she and Haywood had "shot it out" at the culmination of an altercation. Dist. Atty. Hollingsworth was summoned by Chief Mosher and after an eighteen-hour investigation, declared that the woman was probably murdered.

Wife Complains of Payments in Divorce Action
One-third of the earnings of Glenn W. Duncan, Los Angeles electrician, is not going to provide Mrs. Cecilia M. Duncan with many luxuries, Judge Robert Scott observed yesterday, when the Duncan's alimony issues were brought before him.

Recently Judge Hollister ordered Duncan to pay his wife a third of his earnings pending trial of her suit for divorce.

Yesterday he was in court again on a citation from Walter A. Ham, attorney for Mrs. Duncan, who reported that in the first month under the arrangement she had received just \$10.33.

"That's because my earnings that month were exactly \$31.05," Duncan explained.

Judge Scott ruled the same arrangement continue.

"Evidently, unless the insurance business gets better, this lady will enjoy many luxuries, but I do not see what can be done about it unless she can show her husband is a better producer than she says he is," Judge Scott observed.

HOTEL MAN MUST FACE NEW CHARGE

VENTURA, Jan. 11.—A true bill indicting Gus A. Berg, former proprietor of the Hotel Ventura, for contributing to the delinquency of a minor was returned by the Ventura county grand jury in special session. With return was a \$500 arrest warrant against Berg, who is now in the custody of Ventura, Santa Barbara and Los Angeles police, who are searching for Berg, whose whereabouts is unknown to the officers here.

According to the indictment filed today in Superior Court, Berg is accused by the grand jury of wrongfully inducing the minor, 16-year-old former bellboy at the hotel, to sell him wine and whiskey for beverage purposes contrary to the provisions of the Wright Act.

GOLDSWORTHY HEADS VAN NUYS CHAMBER
VAN NUYS, Jan. 11.—Directors of the Van Nuys Chamber of Commerce met at noon today and elected James R. Goldsworthy president for the coming year. F. W. Berkshire was elected first vice-president, John W. Fraire, second vice-president, and Robert Allington, treasurer.

George Chapman was re-elected secretary. Goldsworthy is a prominent real-estate man of Van Nuys and San Fernando Valley. At one time he was president of the Van Nuys Realty Board, and is now one of the district vice-presidents of the California State Realty Association.

ALTER OLD BY-LAWS
HANFORD, Jan. 11.—The People's Dutch Company today voted to revise its by-laws, which have been in effect for fifty years, that company here of commerce of the south bay in the San Joaquin Valley at the time irrigation by canals was first commenced here.

Changes in local conditions and State laws governing irrigation made the change in by-laws necessary. All the officers reports followed the ditch company. New officers were elected for the year.

TO ISSUE BONDS
ARMONA, Jan. 11.—The Chamber of Commerce is engaged in forming an improvement district for the purpose of raising the sum of \$100,000 for the installation of a municipal water pressure system in the city of Armona. It is said that the saving in insurance rates in the city is thought that a small party was used in gaining entrance through the doorway.

Long Beach Council to Request Large Sum
To Use Money to Expand Gas and Water Works

Improvements to Include New Public Park

LONG BEACH, Jan. 11.—This city's municipally owned public utilities, the gas and water departments, need more money for expansion, the City Council decided today when that body directed that steps be taken for authorizing a bond election on March 9, next, when the voters will be asked to approve a \$3,628,000 issue. March 9 is the date already set for submission of the proposed new city charter to the Long Beach Voters for approval.

Of the more than \$3,000,000 that is to be sought by the city at the hands of the voters \$1,850,000 is proposed for use of the municipal gas department. A gas holder with a capacity of 10,000,000 cubic feet of gas in the municipal gas department, it will be explained to the voters. Such a container will do away with gas shortages such as have been experienced here during the present winter, gas department officials say. This will cost \$750,000.

Another \$900,000 would be used for the extension of the municipal gas supply into the North Long Beach area, a section of the city now not served by private interests at a rate more than double that charged by the city gas department.

Financial needs of the city water department, which controls water lands in Signal Hill that have produced millions of dollars in royalties to the city treasury, are estimated at \$2,778,000 by the City Council. One piece of the requirements of the department, it is said, is a boulevard and a strip of park land more than three miles long and 200 feet wide. It is said by city water experts to traverse the heart of the arroyo water area of this territory. Wells are to be drilled at intervals along the strip, it was explained. Provision for more than 80,000-gallon capacity, more pumps and other improvements for the water department are included in the list of needs that the proposed \$2,778,000 bond issue would provide.

No Damage in Theater Fire in Crown City

PASADENA, Jan. 11.—What might have been a serious fire in the heart of the business district was narrowly averted after a 2000-foot roll of film caught fire and ended in the projecting room of the Pasadena Photo-play theater, 28 East Colorado street, at 1 o'clock today.

Bert Bradley, operator, was the hero of the occasion. When the film caught fire he succeeded in pulling it outside before the explosion occurred. Bradley was badly burned on the right arm and head, but escaped serious injury when Miss Dolly Case, cashier, tore his blazing shirt from his back. He then rushed to the fire alarm box and blew the metal horns of his hinges. Patrons of the theater rushed to the street when the fire broke out.

Expert Fisherman Finds Life of Bootlegger a Hard One

SANTA MONICA, Jan. 11.—Bootlegging may be a profitable profession for some, but it has not paid for the man who has been in the business since 1928. His vision practically destroyed by poisoning from his own illicit trade, he is now a pauper.

With visions of huge profits dashed on the hard rocks of justice and police, the man who has been in the business since 1928, Terrell declared he was paying his last bootlegging day when he handed over \$450 rather than spend 110 days in jail, according to Justice of the Peace J. W. Garrett, before whom he appeared.

"I'm going to stick to my regular trade, fishing," Terrell swore, according to Garrett. And in that honest trade this man Terrell has an enviable reputation in the district. He has been a bootlegger among those staunch fishermen who responded so heroically when called upon to launch the fish trap, and he has been a bootlegger among those staunch fishermen who responded so heroically when called upon to launch the fish trap, and he has been a bootlegger among those staunch fishermen who responded so heroically when called upon to launch the fish trap.

The site tentatively selected from among all those inspected by representatives of the new national chain, according to Schenck, is in the vicinity of Third street and Broadway in the heart of San Diego's business district. The exact location of the contemplated structure was not given, but it is understood that the building will be erected on the present site of the Burns building.

Kern County to Enlarge Scope of Annual Fair
Hold Organization Meeting Last of Week
Supervisors to Get Bids for New Building

BAKERSFIELD, Jan. 11.—Preliminary plans for the third annual Kern County Fair, the appointment of fair committees and the listing of a tentative board of directors for 1937, which will be presented to Gov. Young to be made official by his approval, will be considered at the annual meeting of the directors of the Fifteenth District Agricultural Fair Association to be held in Bakersfield the last of this week, probably Friday.

The meeting will be called by President A. Critch.

All former Kern county fairs will be held by the coming 1937 show, to be held September 13 to 17, it is declared by the directors, who say that their meeting will disclose a program which will call for exhibits and feature attractions far exceeding those seen in the fairs in 1935 and 1936. A secretary will be appointed to assume the executive business of the fair and indications point to that respect to the requirements of the fair.

Reappointment of the present board of directors is looked for by those familiar with the work of the fair association, and this week's meeting will be attended by the following members of the board: A. Critch, president; R. K. Dykeson, vice-president; F. W. Brewster, secretary; C. A. Meicher, McFarlane, R. C. Annin, Waco, A. H. Swain, Bakersfield, and George McClintock, Bakersfield.

One new member will be appointed to the board to fill the chair of Director J. H. Thornberg, who resigned last year.

Bids for a \$35,000 agricultural hall to be erected at the grounds will be advertised for by the Board of Supervisors, according to a motion passed today. Architect Charles A. Rigger has completed the plans for the building and they have been accepted by the board. The building will have a skeleton framework of steel with a wooden superstructure and sides.

Beer and Gas Sales Increase in Border Town

CALEXICO, Jan. 11.—Consumption of beer and gasoline has nearly doubled in this city and Mexican during the eleven-day period since a series of earthquakes shook the two communities on the last inst., according to the statements of bartenders and service-station operators.

The increased demand for Mexican beverage and motor fuel has resulted from the arrival of thousands of visitors who came here to see the damage, or to seek employment in reconstruction work.

Four crews of inspectors are at work making a detailed survey of electric wiring and structural damage preparatory to the restoring of electric lighting in the downtown district, and the general reconstruction program to follow. A majority of the hotels in the city have been declared unsafe for occupancy, and this condition has resulted in an increased demand for private rooms and residence property.

One new member will be appointed to the board to fill the chair of Director J. H. Thornberg, who resigned last year.

Bids for a \$35,000 agricultural hall to be erected at the grounds will be advertised for by the Board of Supervisors, according to a motion passed today. Architect Charles A. Rigger has completed the plans for the building and they have been accepted by the board. The building will have a skeleton framework of steel with a wooden superstructure and sides.

United States Marines Dominate Entire East Coast of Nicaragua

The Entire East Coast of Nicaragua Was Made Neutral Zone by United States Marines Yesterday as a force of newly landed sea-soldiers occupied Rama, where a battle between the Liberals and the Diaz factions had been imminent. The extension of the neutral zone places under American domination the stronghold of Dr. Sacasa's revolutionary forces. The above photos, the latest to be received from Nicaragua, show: Upper left—American-trained Nicaraguan National Guard troops; upper right—citizens being armed after conscription at a theater by government troops; lower right—U.S. Cincinnati, now en route to seat of trouble, and, below, typical soldiers of the rebel forces. OUR HISTORY IN PICTURES

611 Mosby, the Confederate Raider

by J. CARROLL MANN

MOSBY'S FAMOUS RAID ON FAIRFAX COURT HOUSE (MARCH, 1863), HAS ALREADY BEEN BRIEFLY MENTIONED, BUT THIS EVENT, AS WELL AS MOSBY HIMSELF, IS WORTHY OF A MORE DETAILED ACCOUNT. IN 1861, JOHN S. MOSBY ENLISTED AS A PRIVATE IN THE 1ST VIRGINIA CAVALRY, THEN COMMANDED BY COL. J. E. S. STUART. THIS REGIMENT FOUGHT IN THE 1ST AND 2ND BULL RUN, THE "PENINSULA" AND ANTIETAM CAMPAIGNS AND AT FREDERICKSBURG.

COMPASSIONATE PICKETS BURNERWINE COFFEE AND TOBACCO.

IN THESE CAMPAIGNS YOUNG MOSBY HAD WON RECOGNITION FOR HIS DASH AND DARING. AFTER THE BATTLE OF FREDERICKSBURG THERE WAS A LONG PERIOD OF INACTION WHILE THE OPPOSING ARMIES LAY FACING EACH OTHER ACROSS THE RAPPAHANNOCK AND THE PICKETS OF THE TWO FORCES ENGAGED ON A FRIENDLY TRADE IN COFFEE AND TOBACCO.

THE ADVENTUROUS MOBBY CREW TIRED OF "RUSTING" IN CAMP AND ASKED STUART (NOW A FAMOUS CONFEDERATE CAVALRY GENERAL) FOR PERMISSION AND A FEW MEN TO MAKE SUDDEN THRUSTS INTO THE UNION LINES.

THIS PROPOSAL PLEASED HIM, AND HE READILY GAVE HIS CONSENT TO THE PLAN. TAKING MOBBY GATHERED A GROUP OF YOUNG FELLOWS AND BECAME KNOWN AS A PARTISAN.
